

Dear Prospective Parents

September 2018

OPEN EVENING
Thursday 27 September 2018 6.30 – 8.00 pm

We shall be holding our Open Evening to which all prospective parents and their children are warmly invited.

This annual event is organised in such a way as to allow prospective parents in particular to meet as many members of staff as possible and to sample a little of the teaching and learning styles in use in school. Groups of children will be in the classrooms; musicians in the corridors; and athletes playing netball games in the Sports Hall.

Extensive amounts of printed information will also be available: school prospectus, travel information, music tuition, extra-curricular sports activities and so forth which can be taken away and reflected upon at leisure.

The evening itself will begin at 6.30 pm with various short presentations from Trustees, the Headteacher, our newly appointed Head Boy and Head Girl and many members of staff. Thereafter, there are refreshments available and opportunities to visit classrooms and the Sports Hall. We will conclude the event at 8.00 pm.

For those parents who may experience difficulty in being with us on the evening, we have an Open Saturday on 29 September 10.00 am – 2.00 pm and Open School Days Tuesday 2 October, Wednesday 10 October and Thursday 18 October between 9.00 am – 3.00 pm.

This is normally a very well attended event and one which we see as being crucial to the educational and social development of your child and the beginning of the process of establishing firm links between school and home; we therefore very much look forward to meeting you and your family on the evening.

With all good wishes.

Yours sincerely

C Pryer
