

Open Afternoon Activity Events for new pupils and parents

Monday 2 March and Monday 16 March 3.45 to 4.30 introducing staff and facilities as we become one form entry Ponteland Community Primary School in September 2020 from Nursery [age 3] through to Y6 and Y8. Places are limited, please call 01661 824 853 or email admin@ponteland.academy to book your place on your chosen activity. Early Years activities; Art; 3G pitch, Netball, Football or Games; French; Computing; Cooking.

Our Facebook page, refreshed website and newsletters keep parents - and those expressing an interest - in touch with news, updates and induction events. Children love the space and facilities: science labs; music, art, food and design technology rooms; IT suite and iPad cabinets; 3G pitch; tennis courts; Forest school, meadow and sports hall. The school's standards and the children's attainment generates confidence when applying to our private school partners in Newcastle.

It is worth referring to the Pele Trust's post consultation letter stating their 'commitment to schools serving the local community and being mindful of children living within the greater catchment area missing out on a secondary place at their local school. In the admissions criteria, a pathway is open to 'children living in the catchment area on whose behalf evidence is presented that they will be living in the catchment area by the appropriate date.' This has made a difference to our local community and parents now seeing a future pathway.

With kind regards

Caroline
