

All About Me:
My Summer
Scrapbook

Draw Your Self Portrait:

NAME:

Dear Parents

The scheduled summer holidays are almost here and this is a time when the children anticipate their new class, and in our case – a new school – with great excitement!

We would like to set the children a project to keep them amused on those rainy days. Each child will create an 'All About Me: My Summer Scrapbook' which we would like them to fill with all sorts of memorabilia, funny sayings, online learning and pictures. The scrapbooks can be a collection filled with days out, visits to family and friends' gardens, books they have read or games they play. It is personal to the child: what they like, look forward to and enjoy.

We have lots of leftover exercise books ideal for sticking in photos, pretend tickets and leaflets, or the children can draw pictures or write descriptions/diary entries of what they have been doing. The books will be in a box at the school gate, Monday to Friday, in July.

To encourage the children, we will display the books around their new classroom in September, allow the rest of the class time to look through them and help us get to know the children very quickly. There will be prizes on offer for those who have worked hard and made their book interesting and imaginative.

We hope the children (and you) will enjoy this project and look forward to seeing them in September.

Have a wonderful, safe and healthy summer,
Ponteland Community Primary School teachers

Online learning:

Our website, www.ponteland.academy has links to BBC Bitesize and Oak National Academy.

We have provided some work for different year groups given to us by a partner school as some parents would like their child to do some catching up in these challenging times.

Please read with your child each day for about 15 minutes; check their times tables [not just the answers but how you get to the answers – for example 9×8 is 72]; and spelling, as these skills are the foundation of all learning.
