

All About Me:
Summer
Scrapbook

Photograph of you here:

NAME:

Dear Parents

The scheduled summer holidays are almost here and this is a time when the children anticipate their new class, and in our case – a new school – with great excitement!

We would like you to help your child create an ‘All About Me: Summer Scrapbook’ which we would like them to fill with all sorts of memorabilia, funny sayings, and pictures. The scrapbooks can be a collection filled with days out, visits to family and friends’ gardens, books they have read or games they play. It is personal to the child: what they like, look forward to and enjoy.

We have lots of leftover exercise books ideal for sticking in photos, pretend tickets and leaflets, or the children can draw pictures or with your help create a diary of what they have been doing. (We have includes some ideas on the following pages).

We will talk about and display their scrapbook in September. This will allow the children and ourselves to get to know each other very quickly.

We hope the children (and you) will enjoy doing this together and look forward to seeing you again soon.

Have a wonderful, safe and healthy summer,
Ponteland Community teachers
Ponteland Community Primary School

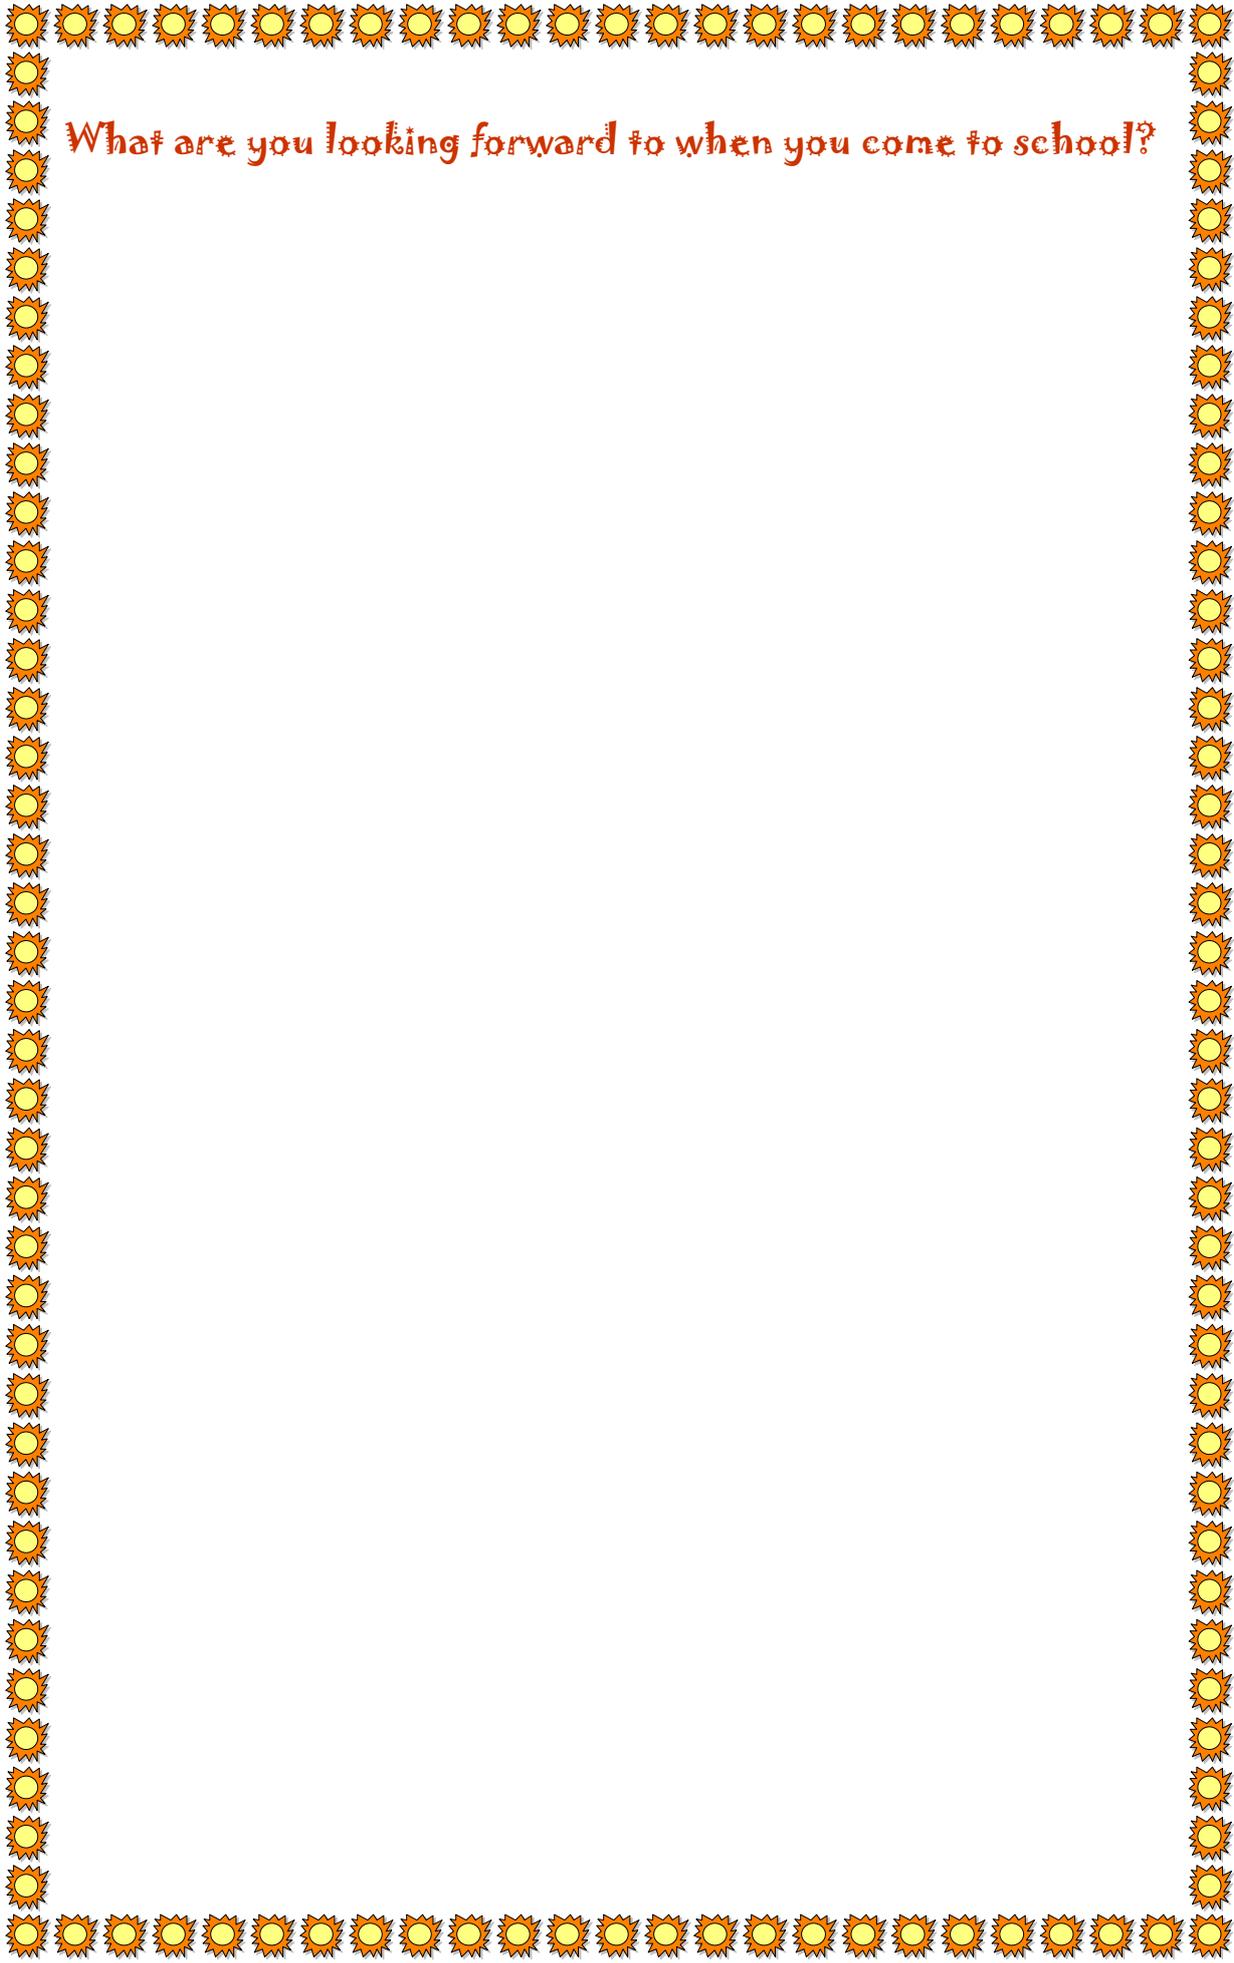

Mrs Cafferty, Mrs Quigley and Mrs Buffham would love to know...

- Your favourite Toys
- Games you like to play
- Your favourite songs
- Your favourite books
- What are you good at?
- What would you like help with?
- Who are your friends?
- Who is in your family?
- Your favourite holiday
- Your favourite trip
- Do you have a favourite animal or pet?

We are sure you can probably think about lots of other fabulous things to tell us!

You can draw, paint, use photographs, words or anything else you would like to use to share with us about 'you'

What are you looking forward to when you come to school?
